

What you can expect from the EP Team

This flow chart aims to give you an idea of how we work with young people

You can develop open, honest relationships with team members that are based on mutual trust and respect

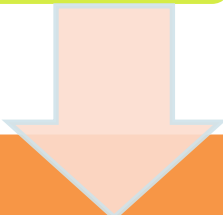

You will always be supported and be offered an alternative and non-judgemental point of view

We will not tell you what to do - but we will support, guide and encourage you to make positive choices. We will work with you to recognise barriers that may be preventing positive change

The team all have different skills and tools to help support you and stay focused on achieving in lots of different ways.

Remember you are an individual and we will always work with you at your pace. But we will also encourage you to try new things...
