EPIC - what does it stand for?  
Engaging Potential Incentive  
Choices

EPIC is voluntary incentive  
scheme used by EP to  
encourage students to work  
towards goals

You can earn up to  
£2.50 a day!

You can earn EPIC  
for attending and  
staying

What can you buy?  
Simply put, anything that is  
legal & not harmful to others

You can save your EPIC and  
put it towards something you  
really want

EPIC may have to be used  
towards repairs or  
replacements of anything I  
break or damage. This will be  
discussed with your mentor.

EPIC earned in one week can  
be spent the following week  
at an agreed time.

“Individual EPIC” will be  
based upon areas you need  
to work on.

EPIC will be awarded on a  
daily basis by the team – you  
will have an opportunity to  
discuss this with your  
mentor each week.
